

General

1. By completing an Online Application, each Applicant and their Corresponding Company declare that they have each read and understood, and that they agree with and agree to be bound by, these Event Accreditation Conditions and also the 'Conditions of ticketing and entry for Flemington Racecourse' and any other terms and conditions applying to the Site or the relevant Zones, each of which are available at www.melbourncup.com/conditions (**Course Conditions**). Each Applicant warrants that he or she is duly authorised to enter into these Event Accreditation Conditions as a contract on behalf of his or her Corresponding Company. These Event Accreditation Conditions only apply in relation to the Lock Down Period (25th October, 2010-10th November, 2010). The Corresponding Company is jointly and severally responsible, along with the Accredited Party, for the acts and omissions of the Accredited Party.
2. To the extent of any inconsistency, these Event Accreditation Conditions prevail over any other Course Conditions.

Accreditation Process

3. Accreditation is required for all people working at the Site on the four days of the Melbourne Cup Carnival, which are as follows.
Derby Day – Saturday 30th October, 2010.
Cup Day – Tuesday 2nd November, 2010.
Oaks Day – Thursday 4th November, 2010.
Stakes Day – Saturday 6th November, 2010.
Accreditation is also required for all people entering the Site on the non racedays of the Lock Down Period (25th October, 2010-10th November, 2010).
4. If a Company needs to obtain accreditation for more than one Applicant, the relevant Company must nominate a single representative (the **Supervisor**) to manage the accreditation process for that Company and associated Applicants and liaise as necessary with VRC. For the avoidance of doubt, nothing in these Event Accreditation Conditions provides the Supervisor with a right to access the Site, unless that Supervisor is also an Accredited Party. This clause does not prevent anyone who holds a valid ticket from entering the Site.
5. The Corresponding Company must ensure that each associated Accredited Party is aware of and complies at all times with these Event Accreditation Conditions and the Course Conditions relevant to that Accredited Party.
6. Online Applications:
 - (a) Incomplete Online Applications will not be considered for Accreditation.
 - (b) Online Applications must be uploaded and/or filled out at <http://accred.vrc.net.au>
 - (c) The accreditation deadline is Friday 17 September 2010.
 - (d) Applicants (and Supervisors, where applicable) must only request Accreditation to the extent required to enable the Applicant to properly perform his or her professional duties in connection with the Cup Carnival.
 - (e) Applicants must provide contact details which will allow VRC to contact them at all times during the Lock Down Period.
7. VRC discretion in relation to Accreditation
 - (a) Submitting an Online Application provides no guarantee that the Applicant will be granted Accreditation. Accreditation is granted to Applicants at VRC's sole discretion.
 - (b) Accreditation will only be granted to Applicants who are required to attend the Cup Carnival in a working capacity.
 - (c) The Zone(s) for which the Accredited Party will be authorised will be determined by VRC at its sole discretion based on factors including (but not limited to) the Applicant's anticipated role and occupational health and safety requirements.
8. Approval
 - (a) If an Applicant is approved for Accreditation, the VRC will provide that Applicant with a single, non-transferable Accreditation Device for the Lock Down Period.
 - (b) VRC will notify all Applicants (or Supervisors if relevant) via email, post, phone or fax about the outcome of their Accreditation application.
 - (c) VRC reserves the right to withdraw, or to amend the terms of, any Accreditation at any time and will notify the Accredited Party accordingly.
 - (d) Accreditation Devices for Accredited Parties will be available for collection from 18th October 2010 from Flemington Racecourse Operations.

Lost Accreditation Devices

- (b) an administrative charge of \$50 is paid to VRC by the Applicant or their Corresponding Company.

The reissue of any duplicate Accreditation Device will be at the sole discretion of VRC.

Substitution for Accredited Parties

- 10. If an Accredited Party, or their Corresponding Company, wishes to substitute another individual for that Accredited Party, the Accredited Party or their Corresponding Company must send written communication to Flemington Racecourse Operations immediately, stating the reason for this substitution, the relevant details of the Accredited Party being replaced and the Accreditation Device number. A separate, complete Online Application must be provided for the proposed substitute.
- 11. If an Accreditation Device has already been issued to the Accredited Party (or to their Supervisor), that Accreditation Device must be returned to VRC with the written communication referred to in paragraph .
- 12. VRC reserves the right, at its sole discretion, to refuse the proposed substitution for any reason whatsoever, or to limit the scope of the Accreditation granted to the substitute Applicant in any manner whatsoever including, but not limited to, the restricting of Zone(s) to which the substitute Accredited Party may have access.
- 13. VRC will consider the request for substitution and will notify the Accredited Party and the substitute Applicant whether they have been successful in their request for substitution.

Conduct of Accredited Parties

- 14. Accredited Parties must wear each element of their Accreditation Device at all times or they will be denied access to the Site and the relevant Zones.
- 15. Accredited Parties must ensure that each element of their Accreditation Device remains visible at all times while present at the Site. Unless it would be unsafe for the Accredited Party to do so, lanyards should be worn around the neck and not placed in pockets or handbags.
- 16. Alcohol is not to be consumed by ANY Accredited Party during the Melbourne Cup Carnival until 30 minutes after the final race of the day, and in any event is not to be consumed by any individual whilst performing official work duties at the Site. - 20. Accredited Parties must conduct themselves with a high standard of professionalism while present at the Site pursuant to their Accreditation, and at all times in a manner that is lawful and courteous.

25. At VRC's discretion, if an Accredited Party's Accreditation is revoked or suspended, and VRC has reasonable cause to do so, VRC may also revoke or suspend the Accreditation of other Accredited Parties who have the same Corresponding Company.
26. Upon the revocation or suspension of an Accredited Party's Accreditation, that Accredited Party's right to access the Site or Zone(s) is deemed removed and the Accredited Party must immediately return the Accreditation Device to VRC, leave any relevant Zone and also vacate the Site, unless in possession of a valid ticket on a raceday. The Accredited Party may be escorted from the Site and/or a Zone if that Accredited Party does not leave immediately of his or her own volition.
