| PENALTIES |
|------------------|

The winner, after declaration of weights, of an internationally recognised Listed, Group or Graded flat race

- If a handicap race, only if it was run over a distance of 1600 metres or further, OR
- If a non-handicap race, only if it was run over a distance of 2300 metres or further

is to carry such additional weight (if any) for each win as the Handicapper shall determine.

Provided that, *in lieu* of re-handicapping, should such winner be a horse on the minimum handicap weight (for its age group) the Handicapper may, at his discretion, instead amend the originally appended weight figure against the benchmark weight downwards, to a figure that is not less than or equal to the appended weight figure for a horse of the same age and gender handicapped above the advertised minimum weight (for its age group).

Any such amendments referred to above shall not affect the weight to be carried in the race.

In these circumstances, any extra weight to be imposed on any horse, or *in lieu* of re-handicapping, any amendment to the appended weight figure against the benchmark weight for a horse, shall be declared by the Handicapper not later than five (5) working days after such win.

BALLOTING CONDITIONS

(1) The Directors may in their absolute discretion exclude any horse or horses from the race, whether the safety limit of 24 horses at final acceptance time shall be reached or not, and if such exclusion occurs, and more than 24 final acceptors remain, balloting of surplus horses will continue in the normal manner to its conclusion.

Horses in this clause (2) with the same lowest appended weight figure against the benchmark weight for individual horses, as the case may be, shall be eliminated at the discretion of the Directors.

(3) If, after Balloting Clause (2) has been exhausted, excess horses remain, then subject to the exercise of the Directors' discretion, elimination of such horses shall be effected by order of the lowest appended weight figure against the benchmark weight for individual horses, as the case may be.

Horses in this clause (3) with the same lowest appended weight figure against the benchmark weight for individual horses, as the case may be, shall be eliminated in order of lowest aggregate prizemoney received in "Relevant Race Performances" since 1 February 2015 inclusive. Horses equal in both of these respects shall be eliminated at the discretion of the Directors.
